FRA SMALL BUSINESS INTERNET GRANT PROGRAM

FRA SMALL BUSINESS INTERNET GRANT PROGRAM

Having Internet is integral to any business, may it be for a point of sale system or for traditional office use. Within the FRA's Urban Renewal District, internet service is spotty at best, and depending on where you are setting up your business, you may not have it all.

The FRA Small Business Internet Grant Program will award the following types of grants upon completion of the set-up.

Up to \$100 for basic internet set up
or
Up to \$1000 for multi-service package (WIFI, phone, VOIP, etc.)

This is a reimbursement Program.

APPLICATION REVIEW

The FRA Board of Directors will review the completed application and if approved, the grant money will be issued within fourteen (14) days.

TERMS & CONDITIONS

The objective of the Small business Internet Grant Program is to assist in covering the set-up costs for an integral part of business.

Through this program, the FRA will provide reimbursement grants towards the installation of basic internet (\$100) or a full package consisting of internet, phone and voicemail (\$1000), performed within the calendar year.

Grants will only be awarded after the completion of the install.

The FRA reserves the right to reject or limit the grant amount awarded.

I understand and agree to the terms and conditions listed above.
